We Have Moved

To whom it may concern,

We are pleased to announce that we have recently moved to larger premises at the above address. Please amend your records with our new contact details.

We aim to achieve new levels of productivity and creativity with our bigger space and will strive to meet all your decorative glass and sign requirements. Can we take this opportunity to remind and update you about all the services and skills we have to offer:-

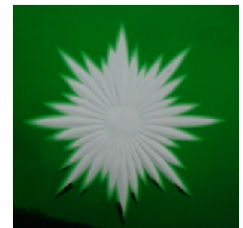

- *Full design and consultation service.
- *Brilliant cutting - hand worked, cut with stone, polished with various woods and felt.
- *Stained & Leaded glass - doors, windows, repairs, design
- *Bevelling - machine and hand bevelling
- *Acid etching - french embossing
- *Sandblasting - using several different grades of grit to achieve various finishes.
- *Hand obscuring
- *Slivering - hand silvered mirrors
- *Gilding - hand gilded glass signs/mirrors etc using the finest gold leaf.
- *Signs - using vinyl lettering or hand painted.
- *Full edge work - polished, arised
- *Full glass cutting service - safety glass, float and a toughening service.
- *Sales of all glass - float, double glazing and coloured glass.

We are happy to deal with any questions, queries and quotations you may have, from any corner of the world to our own North East locality.

Our thanks for your past, current and future relationship with our business, we wish you all the best for the coming years.

For directions on how to find us please see the maps on the reverse side. Please pass a copy of this letter to all relative departments and staff members that will require our new details.

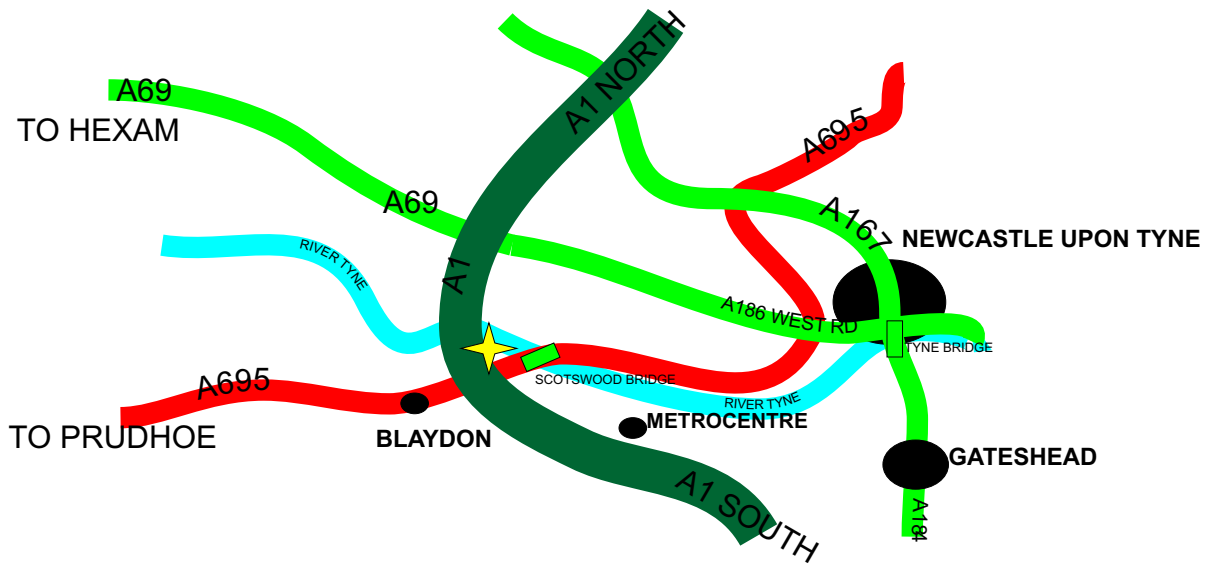

Regards

Stuart Norton
Managing Director

How to find us.

From A1 South/North

Exit A1 at Blaydon junction and follow signs for A695 (Chainbridge road) towards Prudhoe. From Chainbridge road take second left onto the slip road, pass under the flyover and take first left then right onto Factory road. From Factory road head straight onto Patterson street then left onto Dunne Road. Follow this road round under the A1 and we are within the first set of units After the A1 Flyover.
